

PUBLIC MEETING

COME HELP PLAN THE CENTRE COUNTY GREENWAY!

Centre County is currently working on a County-wide Recreation and Greenway Plan.

Please attend this informational Public Meeting to learn about the Recreation and Greenway Plan.

What is a Greenway?

A greenway is a corridor of open space. Greenways vary greatly in scale, from narrow ribbons of green that run through urban, suburban, and rural areas to wider corridors that incorporate diverse natural, cultural and scenic features. They can incorporate both public and private property, and can be land- or water-based.
